# RESIDENCES AT FOUR SEASONS RESORT, CHIANG MAI, 清迈

梦想搜寻 | PROPERTY FINDER | 泰国 | thailand

Chiang Mai is Thailand's region of fascinating, mist-shrouded mountains and fertile valleys which provide breathtaking scenery throughout the year. Couple this with an area of architectural beauty, warm hospitality and the best 24-hour service imaginable by the world-class management team from The Four Seasons, and that becomes paradise found – Residences at Four Seasons Resort Chiang Mai.

This magnificent accommodation comprises only five exclusive spacious villas with beautifully landscaped private gardens, heated lap pools, Jacuzzi and outdoor living spaces of approximately 1 to 2 rai area (1,600 sq m to 3,200 sq m). Renowned architect Lek Bunnag conceived the residences, while landscape design comes courtesy of Bill Bensley. The homes are architecturally inspired by the concept of traditional "Lanna" Thai-style with a touch of modern convenience, and incorporate all the essentials for that ultimate luxurious lifestyle: a sunken dining pavilion, a separate and spacious living villa, state-of-the-art entertainment and home-management technology all with full back of house including two-car garage, maids' rooms and laundry.

Price: From US\$4,500,000
