Second Phase Of Chiang Mai Residences Revealed

Sribathana Garden Co., Ltd., has developed Phase II of the Residences at Four Seasons Resort, the only branded luxury residential estate in Chiang Mai, to provide people with another chance to be part of a northern tropical paradise. These magnificent properties in the 2nd phase comprise five exclusive spacious villas with beautifully landscaped private gardens, heated lap pools, Jacuzzi and outdoor living spaces of approximately 1-2 Rai. Architecturally inspired by the concept of traditional "Lanna" Thai-style with a touch of modern convenience, the homes incorporate everything needed for that ultimate luxurious lifestyle: a sunken dining pavilion, a separate and spacious living villa, state-of-the-art entertainment and home-management technology including a two-car garage, maid's room and laundry.
